

5TH ASIAN MATHEMATICAL CONFERENCE Putra World Trade Centre, Kuala Lumpur, Malaysia 22 – 26 JUNE 2009

INTRODUCTION

The Asian Mathematical Conference (AMC) series is a major South East Asian Mathematical Society (SEAMS) conference, held every 4 – 5 years and hosted by countries in Asia. The first AMC was held in Hong Kong (1990), the second in Thailand (1995), the third in the Philippines (2000) and the latest was in Singapore (2005). Malaysia will be hosting the AMC in 2009

OBJECTIVE

The objective of the conference is to provide a forum for mathematics researchers from Asia to foster links and collaboration among themselves and with mathematicians from other parts of the world through the discussion of issues, exchange of ideas and the presentation of research findings.

FOCUS AREAS

Algebra • Algebraic Geometry • Analysis • Operator Algebra & Functional Analysis • Lie Groups and Lie Algebras • Number Theory • Combinatorics • Logic & Foundations of Mathematics • Ordinary Differential Equations and Dynamical Systems • Partial Differential Equations • Topology • Mathematical Aspects of Computer Science • Numerical Analysis and Scientific Computing • Control Theory, Optimization and Operations Research • Probability and Stochastic Process • Statistics • Application of Mathematics in Sciences • Mathematical Finance and Actuarial Science • Mathematics Education

ACTIVITIES

- Keynote addresses
- Invited talks
- Contributed papers
- Workshops (on 22 June 2009; please refer website)

CALL FOR PAPERS

Participants interested in presenting contributed talks are requested to submit their extended abstracts of between 300 – 400 words to the conference secretary by electronic mail before **December 22, 2008**. Please state the 2000 Mathematics Subject Classification. Participants will be informed if their abstracts are accepted before **January 22, 2009**. A hard and soft copy of the full paper should be sent to the Conference Secretary not later than **May 22, 2009**. Only papers presented at the conference will be considered for publication in the proceedings. Selected papers will be considered for publication in a special issue of the Bulletin of the Malaysian Mathematical Sciences Society. The Bulletin is indexed in the *Science Citation Index Expanded* of the ISI Web of Science. Abstracts and full papers must be in English and typed using Microsoft Word or LaTeX. The format for the full papers must not exceed eight (8) pages and full details can be obtained from <http://math.usm.my/amc2009/>

ORGANIZED BY

- Malaysian Mathematical Sciences Society
